inX Breakout: B Corporation Certification

Tuesday, March 20 > Indianapolis, IN

B corporations are changing the way businesses address social and environmental problems.

Join us for our panel as we discuss certification requirements, explore the benefits of embedding a social responsibility platform within an organization, and take a deeper look into the process required to make it happen.

At the End of This Session, You Will be Able to:

- > Evaluate the steps your organization needs to take to become a B corporation
- > Understand the benefits of becoming a B corporation
- > Explain how B corporations tie into corporate social responsibility
